2. But when you told me that you hated my friends  
The only problem was with you and not them  
And every time you told me my opinion was wrong  
And try to make me forget where I came from
3. For all the times that you made me feel small  
I fell in love, now I feel nothin' at all  
I never felt so low when I was vulnerable  
Was I a fool to let you break down my walls?
