Demons

(Alexander Grant/ Ben McKee/ Dan Platzman/ Dan Reynolds/ Josh Mosser/ Wayne Sermon)

Key: D

Capo 1

When the days are cold
And the cards all fold
And the saints we see
Are all made of gold

When your dreams all fail
And the ones we hail
Are the worst of all
And the blood's run stale

I want to hide the truth
I want to shelter you
But with the beast inside
There's nowhere we can hide

No matter what we breed
we still are made of greed
This is my kingdom come
This is my kingdom come

when you feel my heat
Look into my eyes

when the curtain's call
is the last of all
when the lights fade out
all the sinners crawl

so they dug your grave
and the masquerade
will come calling out
the mess you made

don't want to let you down
but I am hell bound
Though this is all for you
Don't want to hide the truth

No matter what we breed
we still are made of greed
This is my kingdom come
This is my kingdom come

CHORUS

They say it's what you make
I say it's up to fate
It's woven in my soul
I need to let you go

Your eyes, they shine so bright

there isn't a video lesson for this song
