Bb F/A Bb
Had I known how to save a life

Let him know that you know best
Cause after all you do know best
Try to slip past his defense
Without granting innocence
Lay down a list of what is wrong

The things you've told him all along
And pray to God he hears you

Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all
night

Had I known how to save a life

As he begins to raise his voice
You lower yours and grant him one last
choice

Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He will admit to everything
Or he'll say he's just not the same
And you'll begin to wonder why you came

Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all
night

Had I known how to save a life

This is a tab for that little piano riff
that happens periodically through the
song
