WELCOME

It gives me great pleasure to welcome you to the Jerudong International School Football Funday. I hope that you have a wonderful day whether you are taking part in the competition or coming along to support! It is always one of our most popular Community Days.

I love seeing the three sports fields at Jerudong International School full of hundreds of young people enjoying every moment of playing football with their friends and the camaraderie and pleasure that is to be gained. In Sport, there are times when "playing to win" is what it is all about. And there are plenty of opportunities for that here at JIS. However, there should also be occasions when the most important thing is simply to enjoy the act of taking part in Sport. Football Funday is one of those occasions. Winning is great; but on this particular day, it really is not the most important thing!

Photos and video from the Football Funday will be loaded onto the JIS social media - Facebook (JISBruneiDarussalam), Twitter @JISBrunei and Instagram @JISBrunei We will be using **#JISFootballFunday** so please tag your own photos too!

Many thanks to everyone at JIS who has worked so hard to make this year's Football Funday happen. I am confident that it will once again be a great success.

- Teams cannot score directly from a kick off.
- The ball can be passed forwards or backwards from kick off.
- There is no offside.

All pool matches will be 4 points for a win, 2 points for a draw, 1 point for a loss.

If teams are tied on points at the end of the pool stage, the result of the head-to-head game (where applicable) will be used to determine who goes through to the knockout stage. If teams are still
