Textbooks at JIS - Students going into Year 9

Dear Parents, Guardians and Caregivers,

As your child continues to transition through Middle Years, you can choose for JIS to supply textbooks to you directly.

Please see attached [Year 9 booklist](#) (with ISBN and title) if you wish to source the books yourself. Click [here](#) for FAQs.

By week 4 of the first term, it is expected that all students in Year 7-9 will possess the appropriate textbooks for their studies. The Year 9 textbooks include Science, Maths & reading books for English, as well as textbooks to support your child's language options.

You will receive an order form via email for Year 9 shortly where you can order the appropriate books depending on your language option choices.

-----> * **IMPORTANT NOTE** : Kindly submit the order form **ONCE ONLY** per child to avoid duplication.

If you have placed an order with us, we will invoice you afterwards, and your child will simply pick up their textbooks when notified.

The designated area for collecting student textbooks is situated in **R04** (Ground floor, R block).

Please do not hesitate to contact the Textbook Team at email textbooks@jis.edu.bn if you have any further enquiries.

Thank you.

Yours sincerely,

JIS Textbook Team
Jerudong International School
