Subject: Textbooks at JIS - Students going into Year 12 IB

Textbooks at JIS - Students going into Year 12 IB

Dear Parents, Guardians and Caregivers,

As your child embarks on their post 16 education pathway at JIS, you can choose for JIS to supply textbooks to you directly.

Please see attached [Year 12 IB booklist](#) (with ISBN and title) if you wish to source the books yourself. Click [here](#) for FAQs.

You will receive an order form via email on Friday 25-08-2023.

- You can then choose the appropriate books depending on option choices and place your order after *Year 12 Enrolment Day* on **Saturday 26-08-2023**.
- * **IMPORTANT NOTE** : Kindly submit the order form **ONCE ONLY** per child to avoid duplication.

By week 4 of the first term, it is anticipated that all students will possess the appropriate textbooks for their studies.

The primary textbook utilised in the IB program is known as '**Kognity**.' Kognity serves as a contemporary, adaptive, and intelligent resource that covers a wide range of subjects. As part of their academic requirements, all IB students are obliged to purchase this online textbook, which is conveniently organized through the school system to facilitate interactive classrooms. The price of Kognity, which covers both years of the course, is **510.00 BND**. For further details, you can access additional information [here](#).

To ensure you're informed, another significant expense for IB supplies is the **Texas Instruments TI-84 PLUS CE Graphing Calculator**. All IB students are required to buy this calculator. This calculator is not included in the textbook invoice and needs to be purchased separately.

- The calculator is also available for **pre-order** at the school shop, requiring a **prepayment of approximately 248 BND** at the Accounts Office.
- (2) If you are considering buying an older version, please consult JIS Maths teacher for further guidance.

Not all subjects require textbooks. If your subject is not listed in the Year 12 IB Booklist, don't worry. You can still access content for many subjects through your Kognity subscription.

Please do not hesitate to contact the Textbook Team at email textbooks@jis.edu.bn if you have any further enquiries.

Thank you.

Yours sincerely,

JIS Textbook Team
Jerudong International School
