## Textbooks at JIS - Students going into Year 10

Dear Parents, Guardians, and Caregivers,

As your child makes the important transition into Year 10 and iGCSE courses, you can choose for JIS to supply textbooks directly to you.

Please see the attached [Year 10 booklist](#) (with ISBN and title) if you wish to source the books yourself. **You will receive an order form via email at the beginning of the Academic Year 2024-2025.**

1. You can then choose the appropriate books depending on option choices and place your order.
2. **IMPORTANT NOTE:** Kindly submit the order form **ONCE ONLY** to avoid duplication.

During the distribution of textbooks, electronic versions will be made available for weeks 1-4. By week 4 of the first term, it is anticipated that all students will possess the appropriate textbooks for their studies.

Once you have placed an order with us, we will invoice you afterwards, and your child will simply pick up their textbooks when notified. The designated area for collecting student textbooks is situated in **R04** (Ground floor, R block).

If you have any questions, please see our [FAQs page](#). For questions not covered in the FAQs, please fill out this [Textbook Enquiry Form](#).

Thank you.

Yours sincerely,

JIS Textbook Team  
Jerudong International School
