Textbooks at JIS - Students going into Year 12 IB

Dear Parents, Guardians, and Caregivers,

As your child embarks on their post-16 education pathway at JIS, you have the option for JIS to supply textbooks directly to you.

Please find the attached [Year 12 IB booklist](#) (with ISBN and title) if you prefer to source the books yourself.

- (1) You will receive an **order form** via email on **Monday, 25-08-2025**
- (2) You can then choose the appropriate books based on your child's option choices and place your order after Year 12 Enrolment Day on Saturday, 23-08-2025.
- (3) **IMPORTANT NOTE:** Kindly submit the order form **ONCE ONLY** to avoid duplication.

By week 4 of the first term, it is anticipated that all students will possess the appropriate textbooks for their studies.

To ensure you are informed, another significant expense for IB supplies is the **Texas Instruments TI-84 PLUS CE Graphing Calculator**. All IB students are required to purchase this calculator separately, as it is not included in the textbook invoice.

---> **Option 1:** The calculator is available for **pre-order** at the school shop, requiring a **prepayment** of approximately **BND 248.00** at the **Accounts Office**.

---> **Option 2:** If you are considering purchasing an older version, please consult the Maths teacher at JIS for guidance.

Once you have placed an order with us, we will invoice you afterwards, and your child will simply pick up their textbooks when notified. The designated area for collecting student textbooks is situated in **R04** (Ground floor, R block).

If you have any questions, please see our [FAQs page](#).

Thank you.

Yours sincerely,

JIS Textbook Team
