Dear Parents, Guardians, and Caregivers,

As your child begins their post-16 education at Jerudong International School, you have the option of having textbooks supplied directly by the school.

Textbook Ordering

- You will receive the **Year 12 IB Textbook Order Form** via email on **Monday, 24 August 2026**. This must be completed according to your child's option choices after **Year 12 Enrolment Day on Saturday, 22 August 2026**.
- Parents who prefer to source textbooks independently may refer to the attached [Year 12 IB booklist](#), which includes ISBNs and titles.

Deadlines

1. Submission of the order form: **Monday, 7 September 2026**, by **10:00 AM**
2. **Important Note:** Please ensure the form is submitted **ONCE ONLY** to avoid duplication.

Collection of Textbooks

- Students will be notified when their textbooks are ready for collection from **Room R01 (Ground Floor, R Block)**.
- By Week 4 of the first term, all students are expected to have the required textbooks for their studies.

Additional IB Supplies

Please note that another significant expense for IB students is the **Texas Instruments TI-84 PLUS CE Graphing Calculator**. This calculator is **required for all IB students** and must be purchased separately, as it is not included in the textbook invoice.

- **Option 1:** Available for **pre-order** at the JIS School Shop, with a prepayment of approximately **BND 248.00** at the Accounts Counter.
- **Option 2:** If you are considering purchasing an older version, please consult the school's Mathematics teacher for guidance.

Payment

An invoice will be issued following submission of the order form.
